The Potentate's Message

Nobles, Ladies, & Families,

It is hard to believe that our year is almost over. I would like to thank everyone for all of your support this year. I especially want to thank Lady Andrea for all of her support and organizing of the food and ladies programs this year.

The election of officers and Holiday Party was held on December 14th and Tim Grogan was elected to be Potentate in 2014. The other elected officers are: Tom Abraham as Chief Rabban, Robert Harris as Assistant Rabban, III. Byron Moak as High Priest and Prophet, Gaylord Hawley as Oriental Guide, and III. Tom Nicholson as Recorder. Also elected was Barry Trasacco as our new Treasurer. I wish them a successful and enjoyable year.

We also held cold sands for Todd Sauer who is the brother of Rick Sauer. The Annual Meeting will be held on January 11th at 1 p.m. at the Shrine center where annual reports will be accepted. After the reports there will be a public installation of officers.

We also wish Red Peek a quick recovery from his fall as he tried to get a cat off of the curtains at his home. Frank Burek is recovering from neck surgery.

Our thoughts and prayers go out to the Cunniff family on the loss of their nephew, David Cunniff, who was the New York State Trooper who was killed while on patrol.

Lady Andrea and I wish everyone a big thank you and a Healthy and Happy New Year.

Yours in the Faith,
III. L. JOHN GARHARTT
Illustrious Potentate 2013

From the First Lady

Thank you to all who made this year a great one for me. All the ladies were so giving. All I had to do was to ask a person for help and my request was granted, with a smile. All the ladies, when a request for food was made, out-did themselves. There was not an event that anyone went away hungry. You ladies are the best! I welcome the new nobles and their wives. I sincerely hope they all enjoy being a member of Oriental Shrine. Some have already become active in the clubs or accepted a position to help. Thank you folks for becoming involved.

Thank you to all of you who supported us in 2003 and again in 2013. Your support means so very much to me. There are so many folks I would like to thank in this note, but there might be someone missed and I don't want to do that. So thank you to all. I will try to thank you personally so I don't miss anyone.

To Michele and Tim, have a great year. I know you will have a lot support in all of your endeavors. May your travels be smooth and may you make lasting friends. And enjoy the year!

John, thank you for being there for me whenever I needed you, no matter what goofy request was made. Thank you for picking me up when I felt a little down, you always picked me up. Thank you for your love.

Fondly,
Andrea

Shriners Hospitals
for Children®

Introducing our 2013-14 National Patient Ambassadors

Olivia Stamps of Batesburg, S.C., and Brendon Wiseley of Tulsa, Okla., have been selected as the health care system's national patient ambassadors for 2013-2014. The announcement was made on July 3, 2013, after the premiere of their video, "Walking toward Endless Possibilities" during the Imperial Session of Shriners International in Indianapolis.

Every year, Shriners Hospitals for Children® chooses two national patient ambassadors to represent the thousands of children who receive care at the health care system every year. The Ambassadors share their stories to inspire others and raise awareness of Shriners Hospitals for Children.

Meet Olivia and Brendon:

Olivia has cerebral palsy, which affects her mobility. She was originally diagnosed at Shriners Hospitals for Children — Chicago, but since moving to South Carolina, she has been cared for by the Shriners Hospital in Greenville, S.C.

Olivia has benefited from Shriners Hospitals' expertise in treating the orthopaedic effects of cerebral palsy and in movement analysis. In the movement analysis laboratories, available at 12 Shriners Hospitals facilities, high-speed cameras, reflective markers, force platforms and muscle sensors combine to record and measure how a child with a mobility impairment is moving. A team of medical professionals can then determine the best treatment plan to help the child improve.

After reviewing the data from Olivia's analysis, her team recommended surgery to lengthen her heel cords and hamstrings. After surgery at age 6 and rehabilitative therapy, Olivia, now 10, has a perfect walking gait and can run, dance, jump on a trampoline, ride a bicycle and keep up with her peers.

Brendon is Back on the Track

Brendon loves to race. In fact, he was on the track in a micro junior car when he was 5, and is a track favorite in his hometown of Tulsa, Okla.

His ability to participate in the sport he loves nearly came to a quick end when he was 7 years old, and was injured in an accident involving a lawn mower. Although he lost a leg, the expertise of the prosthetics staff at Shriners Hospitals for Children — Shreveport and the health care system's commitment to personalized attention and care combined to get Brendon back on track. Brendon is able to race again – the only difference – now he passes his helmet to collect donations for Shriners Hospitals.

The stories of Olivia and Brendon are representative of the successes that can be found throughout the 22-facility Shriners Hospitals for Children health care system. We applaud their achievements, and those of all the patients they represent in their roles as National Patient Ambassadors. Shriners Hospitals for Children is pleased to have been able to help them on their journey toward life's endless possibilities.
