**HEAR YE, HEAR YE
 STATED MEETING
 AND
 AWARDS NIGHT**

A very special night is planned for **AUGUST 19th, 2016!** We will be combining our regular Stated Meeting with a Cold Sands initiation of new nobles, presentation of 50-year membership awards, and the signing of the bylaws by a number of nobles who have not had the chance to do so.

The schedule for the evening starts off with a social hour starting at 5:00 followed by a fine buffet dinner at 6:00. The meeting will start at 7:00 with a tiled session to conduct the business of the Temple and present the Cold Sands. While we are in closed session, entertainment will be provided for the ladies. After the necessary work is completed in the tiled session, we will open the meeting to the ladies and guests for the presentation of the 50-year certificates and the signing of the bylaws.

This is a great opportunity for us to socialize during the summer season, especially with our nobles and ladies who spend the winter in a warmer climate.

Cost for the dinner is \$20.00 per person. Candidates and 50-year recipients will be guests of the temple as will their ladies.

We all hope you can attend and join us for this great evening for YOUR Shrine!

Please make reservations on Masons on Line or by calling or emailing the Recorders office. The phone number is 518.233.0461 and the email address is Office@OrientalShriners.org.

Please Remember Shriners Hospitals for Children in Your Will.

Illustrious Sir Robert Harris & Lady Jacque
75 Water Plant Road
Troy, NY 12182

Dear Friends:

Thank you for gift of \$1,000.00 on 05/06/2016, from your quilt fund raiser, to benefit First Lady Lisa Gantt's "In Dreams I Walk" program. Your generosity is deeply appreciated and will make a positive difference in the lives of the children that come to us for help.

As you know, Shriners Hospitals for Children® is a health care system of 22 hospitals dedicated to improving the lives of children by providing pediatric specialty care, innovative research, and outstanding teaching programs for medical professionals. Children up to age 18 with orthopaedic conditions, burns, spinal cord injuries, and cleft lip and palate are eligible for care and receive all services in a family-centered environment, regardless of the patients' ability to pay.

Through your thoughtful gift, you have become a friend of the children we treat.

Sincerely,

W. BEN PREWITT
Director of Planned and Major Giving

Glens Falls Shrine Club Picnic Report

Our annual picnic was held at Usher Park Monday afternoon, June 27th. There were burgers, dogs, and sausages, along with plenty of salads and desserts. Thanks to all who brought food. The picnic was attended by nearly 35 Shriners and ladies. The weather even cooperated with us for a pleasant day.

The necklace raffle drawing was won by Ginnie Lambert. Many thanks to Julie Vooyo for making and donating the necklace. Thanks to Gaylord for his coordination of the raffle.

Jeff Lindstrand did a lot of work preparing the foods. Many thanks to him.

SOOOOOO --- please prepare yourself to attend next June for another fun time picnic!

May your summer be a good one with good health and fun and family.

Walt Cunniff
Secretary, GFSC

Nobles, Ladies and Friends of our Fraternity: Peace and Goodwill

We have been busy making the Shrine mission known. I have visited lodges and in the first week of June I joined Ill. Byron Moak at the annual Civil War reenactment at the Troy Lodge. He set up a table with Shrine promotional materials and books on the Shrine and Shrine history. There was a good turnout for this lodge event and interest in Freemasonry and Shrinedom.

Reminder Nobles: When it comes to information gathering and communications for events, I remind all club secretaries to get their Masons Online accounts. Contact Ill. Bill Fink, Oriental Recorder, who will get you a login for this system. You will have access to events and also will be able to setup an event. <http://masonsonline.org>.

My Lady Jacque and I continue to make the parade events to remind the public that the Shriners are still there being the ambassadors for our hospitals. I personally want to thank everyone, especially the Illustrious Sirs and the Ladies of the Shrine who continue to come out and show their support to me, my Lady Jacque and the Temple.

Noble Jeff Lindstrand, the Parade Chairman, "you rock!" What an excellent job at the recent parades, which always went smooth and well organized. You are a reliable and constant loyal Noble to the Fraternity. Thank you. And, much success next year as a Master of your Lodge. The temple also enjoyed a large turnout for the Saratoga Parade and picnic afterward.

Thank you to the coordination of the event by all the ladies of the temple with lots of scrumptious foods, savories and desserts. Lady Andrea, even though challenged by a recent operation, helped to lay out all the items and made sure we had utensils, napkins and cups.

So many activities and travel. Thanks to Illustrious Tim Grogan, Noble Gaylord Hawley, Noble Jeffrey Lindstrand, Noble Mike LaPointe, and Noble Paul Durling for being available for the transportation of our patients. Our Transportation Chairman, Noble Bob Endee, has been supported by a great team of nobles who are there to make this seems so routine. I know Noble Endee has been really busy driving also, and I salute him for keeping this all going. Thank you all for making the patient trips to the hospitals possible.

The "Sportsmen's Raffle" is ongoing and our Shrine Circus will be here before you know it. The funds from these events go towards the good of the order so that we all may enjoy future activities. So promote the "Sportsmen's Raffle" and the Circus. I know you may not want to come out, however, once you get out and join the nobles, you'll see how you fit in to the swing of things. Increasing the spirit of our mystic circle, maintaining an unbroken chain in our Fraternity.

Nobles, contact your Noble brothers that you haven't seen or heard from in a while. Make a call to a member and remind them to come out and join in our festivities and fun.

The time is now to make sure that you remind yourselves that all you need is love, love is all you need. And, remember your family and give your family and loved ones a big hug. Love Over All....!

From the Shriners Village web page I learned this and read the following: *Brotherhood: The Foundation of Our Fraternity*

In Freemasonry we learn the value of giving back and are taught that to better ourselves, we must give of ourselves. If we focus on this principle of Free-

sonry, our fraternity will not have a membership problem. Is your temple focused on brotherhood? Do you know who your brothers are?

I once read about a basketball coach who was stressing the importance of teamwork to his team. Each player claimed that they were part of a team, but when the coach then asked each to share something they knew about each player outside of basketball, no one really could share anything.

The lesson was that they were just a group of men, and it was not until they became brothers – which meant caring more and learning more about each other – that they truly became a team.

Have you taken the time to find out about your Shriner brothers? Have you provided the brotherly love that is expected? Are your fraternity brother's part of your extended family?

People often hear me say how rich I am. By rich, I am actually referring to my extended family and the many wonderful brothers I have made being a Shriner and Mason. Brotherhood is not limited to Freemasonry; other great examples include police, firefighters and the military.

Recently on our fraternity Facebook page, a young lady's comments about her experience with the Shriners demonstrated how our acts of brotherhood touch families: "When my dad was in Saudi Arabia his Shriner buddies were a constant presence in my life. They were stand-ins at school functions and when I was installed as Honored Queen and in Grand Bethel. They were great!"

Focusing on Brotherhood to Improve Membership

In studying temples that have success with increasing membership, we see some common ingredients. One of the ingredients is having great Masonic relations. These temples have leaders who are active and visible within the Blue Lodge.

As Shriners we should be actively involved with our Masonic brothers at the Blue Lodges. Consider sharing activities like membership dinners, officers' appreciation dinner, Masonic parades, assisting in degree work, etc. Combine calendars so there are less conflicting dates, making it easier for everyone to attend.

Remember, we must be one of them for them to be one of us. If we focus on brotherhood, increasing and maintaining membership will be simple.

I copied those lines above, which is documented on the "Shriners Village Web Page" which is where I got the previous information to pass to you. We are the Nobles of Oriental Shriners Temple #7, Troy, New York. Come out and find out about the other members, young and mature.

We will soon be at the Imperial Session 2016 in Tampa, Florida. Remember that Imperial Session is open to all nobles and their ladies. Imperial Session provides a way to meet other Shriners from all over the world of Shrinedom and share new hospital research breakthroughs and in the fraternal celebrations.

Yours in Faith,
Illustrious Sir ROBERT HARRIS,
Oriental Potentate

Dear Nobles:

As a follow-up to my last article, some repairs to the building have started. Noble Jeremy Cunniff has worked on the roof and sealed several leaks. He has also worked on the doors to the building and made other minor repairs. In addition Nobles Dan Saville and Dan Lambert have also been working on the building, repairing such items as the emergency lights and exit lights. We are also working on improving the storage in the bar room. Additional minor repairs have been authorized by your Board of Directors.

We are still working on how to handle the big ticket items such as repairing the ranges and the range hood, but at least we are making progress.

To change the subject, we are planning a great night of Shrine activities for August 19th. Please see the article elsewhere in this issue of the Oriental News. I urge you to make every effort possible to attend.

Until then, have a great summer! Kathy and I will be traveling to Imperial in early July along with a fine group of nobles. And, of course, there are the numerous parades to attend.

Glens Falls Shrine Club
WALT CUNNIFF, Secretary

The latest meeting of the Glens Falls Shrine Club was held on May 26th at the Holiday Inn in Lake George. The meeting was opened by President Jeff Lindstrand at 7:00 p.m. with an invocation by Illustrious Past Potentate Robert Rabe, followed by our Shriner's Pledge.

Jeff welcomed everyone and introduced the club officers present: Treasurer Al West and Lady Cheryl, Vice President Dan Lambert and Lady Ginnie, and Chaplain Bob Rabe.

Under sickness, distress, and glad tidings it was noted that Dan and Lisa Saville were married May 21st.

Dinner was served. Lady Lisa Saville sold \$55 worth of raffle tickets. There were several lucky winners.

Under old business the Secretary's report was accepted after a motion by Tom Abraham and seconded by Dan Lambert. Treasurer Al West provided his monthly report and it was accepted after a motion made by Tom Abraham and seconded by Barry Trasacco.

The annual picnic is scheduled for June 27th at Usher's Park. We have reserved the smaller pavilion closer to the lake (the other pavilion was already booked). There will be a 3:00 p.m. start time and the club will provide meats, condiments, paper products, beer, wine and soda. Participants are asked to bring a covered dish and pay \$5.00 per person.

Upcoming parades include Hague on May 28th and Crown Point on May 30th. For both, meet at 1:00 p.m. with the parades starting at 2:00 p.m. Crown Point will be a temple function with a picnic to be held at the church. Please bring a dish. The Malta Parade was a success with four vehicles, 13 Shriners and one clown participating. It also marked the first appearance of Mike LaPoint towing his bass boat with two hospital patients riding in the boat. Jeff reported that the Coopers Cave Fundraiser was very successful with 26 participants. The club raised just short of \$80 at this event with the check received quickly. The Pendant Necklace Fundraiser is still ongoing, and the drawing will now be on June 27th so that the drawing will be done at the picnic. Jeff announced that there would be a stated Shrine Meeting on Saturday, August 27 at 2:00, at the Temple. All Shriners should plan to attend. Jeff also thanked all club members who sold Vidalia Onions this year. \$486.00 worth were sold on behalf of the club.

A letter received from the Shriner's Hospital Fundraising Division was read. The letter thanked the Oriental Shrine Temple for their donation of \$1,000.00 raised from the Quilt Raffle. This is another fine example of our benevolence.

At that point the evening presentation was turned over to Dan Van Wie, our guest speaker. Mr. Van Wie was a patient at the Springfield Hospital multiple times when he was growing up. He related several very entertaining and informative stories about his visits there and how the treatment there changed his life. He related how the experiences there went beyond his physical treatment. He said that the staff gave him confidence and encouragement that helped him later in life. This was followed by a short video on the Springfield Hospital.

The meeting was then turned over to Illustrious Potentate Robert Harris. He reminded

News from Cyrene Temple #18
Daughters of the Nile
Albany/Troy, NY

• • •

On Sunday, April 24, 2016, Cyrene Temple No. 18, Daughters of the Nile, held an open installation of officers for the 2016-2017 year. It was held at Noah Lodge in Altamont, NY, as the Oriental Shrine Center was not available.

This was the first time in several years that we were installing a first-time Queen. The Installing Officer was PQ Sharon Williams of Uarda Temple No. 24, Utica, NY.

The following Elective Officers were installed: Her Majesty, the Queen – Princess SueAnn Nicholson; Jr. PQ – PQ Sally O. Lebowich; Pr. Royal – Pr. Patricia Pelton; Pr. Tirzah – Pr. Susanne Peckham; Pr. Badoura – PQ Sandra Lee Hussey; Pr. Recorder – Pr. Beverly Harrington; and Pr. Banker – PQ Patricia C. Irwin.

Also installed were the following Appointed Officers: Pr. Marshal – PQ Shirley DeSess; Lady of the Keys – Elissa Prout; Pr. Zenobia – Pr. Miriam Kleinberger; Pr. Zora – Pr. Holly Flick; Pr. Zuliema – Pr. Priscilla Oles; Pr. Musician – Pr. Stacey Wright; and Attendant – PQ Rosemary Caruso.

Unable to be present at that time, but installed at our May session were the following Appointed Officers: Pr. Chaplain – Pr. Kendra Boyden and Pr. Nydia – PQ Carol Stannard. Supreme Temple does not allow for the use of Pro Tems when installing officers.

Approximately 50 people attended the installation, including members of several other Nile temples, several Shrine centers, and representatives of other Masonic organizations. We were honored to have Past Supreme Queen and Supreme Princess Recorder Eleanor Green in attendance. Oriental Shrine was officially represented by Past Potentate and Member of the Hospital Board of Governors, Springfield, MA, L. John Garhart and Lady Andrea. Potentate Robert E. Harris and Lady Jacque were out of town.

Following the formal installation, a delicious buffet dinner and socializing was enjoyed by everyone.

us all that as Shriners we are doing the right thing. He introduced his Lady Jacque, First Ceremonial Master Dan Saville and his Lady Lisa, Second Ceremonial Master and Circus Chairman Barry Trasacco and Lady Linda, Parade Chairman Jeff Lindstrand, and Past Potentates Tom Abraham and Lady Leslie, Robert Rabe and Paul Marinello. He then reported on some of the plans for attending the Imperial Session in July. He also led a discussion of the Sportsman Raffle and announced that Wendell Beadnell is handling tickets for the North Country region for this fundraiser. He urged everyone to sell as many tickets as possible. He wished everyone a safe trip home.

Chaplain Bob Rabe gave a benediction and the meeting was the closed.

— Answers to May Questions —

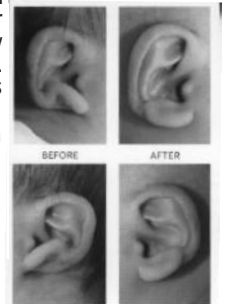

1.) Of the 22 Shriners Hospitals for Children, those that are designated as research centers are: Boston, Montreal, Cincinnati, Philadelphia, Sacramento-California, Galveston-Texas, and Portland-Oregon.

2a.) Of newborn babies, about 30 percent may have a developmental abnormality of the shaping of the ears.

b.) In many cases this developmental abnormality of the shaping of the ears can be corrected if treatment is started within the first month of life. This is because a newborn continues to carry the mother's estrogen for about three months. After three months the estrogen is gone and cartilage becomes stiff and not easy to change.

c.) The Shriners Hospital for Children at Springfield uses a nonsurgical approach to correcting the ear abnormality by molding the patient's ear with an EarWell. The EarWell is worn for five to six weeks and slowly changes the shape of the ear. This process has a good success rate.

d.) The EarWell approach can help those babies with a protruding ear more than 10mm from scalp, lack of an antihelix rim, folding of the helix rim (lidding or cup ear) and conchal crus.

3a.) EOS is a unique ultra-low dose x-ray system that utilizes Nobel Prize-winning technology to reduce the amount of radiation received during an x-ray procedure. Radiation exposure to patients is 50-85 percent lower than standard digital radiography systems and 95 percent lower than a computed tomography (CT) scan.

b.) This reduced radiation is important to Shriners Hospitals for Children at Springfield because many of the patients, depending on their conditions, are x-rayed multiple times over the course of their treatment. For example, those with idiopathic scoliosis have x-rays frequently to monitor curve progression, which can increase the risk of developing a cancer later in life. EOS meets the best practice standard known as "ALARA" without sacrificing high quality images needed to make medical decisions and reduce the risk of developing certain types of cancer in the future.

4.) Some former national ambassadors for the Shriners Hospitals for Children have become top athletes. Katie Ladlie was born with a vascular malformation in her left leg which led to complete deterioration of her knee cartilage. Her left leg was amputated at the St. Louis Shriners Hospital and she was fitted with prosthetics. She was recently named a member of the U.S. Women's Sled Hockey team. She competes in triathlons, swimming and is a member of her high school track team.

Hunter Woodhall, of Syracuse, Utah, returned from the 2015 International Paralympic Committee Athletics World Championships with two medals in track events. He wishes to participate in the 2016 Paralympic Games in Rio de Janeiro, Brazil. Hunter has two prosthetic legs and was born with fibular hemimelia of the left leg, a shortening or absence of the two bones in the calf. His right ankle was fused. At the Shriners Hospital in Tampa, Hunter's feet were amputated at age 11 months. When his family moved to Syracuse, Utah, Hunter became a patient at the Shriners Hospitals for Children-Salt Lake City. The Shriners Hospital fitted Hunter with some of the first-of-its-kind custom feet as well as special liners for wrestling.

Keystone Kops Hague Parade update

On a record setting heat day, we had six Kops at the Hague parade, including Dan driving his mini-car. They say it is healthy to sweat???

Al West pulled the Kops trailer to parade. Thanks Al.

We also had our Potentate, Robert Harris, driving one of the Hospital Transportation vans, probably with the AC on??? As they say, he was "cool"!!!

Received a good reception from the crowd attending.

Monday is the Crown Point parade, with line-up about 1:00 pm and parade starting at 2:00 pm. Pre-assembly will be in the church parking lot.

This is a Temple function. There will be a picnic after the parade and you may bring something to share. Beverages will be provided.

I would like to mention the Kops President Dan Lambert has performed a lot of work on the paddy wagon, with help from a friend or two.

The head gasket and I believe other gaskets and also some electrical components were replaced and updated. The "old" motor was steam cleaned and even painted and looks like new, although I was not around when it was brand new! As I said, this has taken a lot of dedication and effort from Dan and he deserves a big "THANK YOU!"

Also, you should come and try some of Parade Chairman's Jeff Lindstrand cold beverages??? before, during, or after the parade. He's doing a great job trying to keep us hydrated!

Hope to see you on Monday.
