Transportation Unit

JEFF LINDSTRAND, Chairman

During the month of June we had seven trips scheduled of which five were completed and two were cancelled.

Trips: Three from Lansingburgh; one from Troy; and one from Hudson Falls.

Drivers: Bob Endee drove for one trip; Ken Hughes drove for two trips; and Jeff Lindstrand drove for two trips.

Riders: Steve Hoover rode along on one trip; Paul Manning Sr., rode along on two trips.
 Thank you all for your time and efforts.

**Transportation Chairman
 Always Needs Drivers!**

This is a request for more Shriners Hospital drivers. Drivers are needed to transport patients to and from the hospitals. If you are thinking of driving please contact Chairman Jeff Lindstrand to ride on a trip to see how it's done and reacquaint yourself with the beautiful Springfield Hospital. Jeff can be reached at 518-793-1884 or email him at peachy4@roadrunner.com.

THE POTENTATE'S MESSAGE

Illustrious Sirs, Nobles and Ladies,

The 145th Imperial Session in Nashville, TN, will be done and over by the time you receive this. I'm certain that there will be a lot to share with you in the next issue. Some of the items on the call include; Oriental Shriners approval to join the Northeast Shrine Association, Election of a new Imperial Recorder (Randy Rudge has resigned), as well as election of the Imperial Divan, numerous resolutions concerning the future fate and appearance of Shriners Hospitals for Children. Stay tuned, we will keep you posted.

July 4th will also have come and gone. Parades in Argyle, Rouses Point, Ticonderoga, and Speculator will have been held with Oriental Shriners participating. Thank you to all who attended while your Divan is in Nashville.

The venue for our Fall Ceremonial has been changed! This year I have made arrangements to hold the Ceremonial at the Surfside on the Lake in Lake George as opposed to the Holiday Inn – many have expressed a desire for a change. Details on the Fall Ceremonial will be in the next issue. Set your calendars for November 1st and 2nd for this year's Ceremonial.

This year's Flag Day parade in Saratoga was a huge success! Thank you again to Gerry Goodsell for all the arrangements and all the other ladies who made this possible. This will be the last year we hold an after parade picnic on the porch at the Saratoga Masonic Lodge, they have sold the building. Everyone start thinking what you'd like to do next year.

This year's Basket Party was again a tremendous success as well. Kudos to everyone who made this happen. I know I'll miss someone if I try to name all who made it happen, so let me just say thank you to all of you!

Watch your mail for this years' Sportsman's Raffle tickets! We need everyone to make an effort to have this raffle be a success. Your purchase, sale, or return of tickets you receive helps make this event a success! Sell Sell Sell!

THE CIRCUS IS COMING! THE CIRCUS IS COMING! THE CIRCUS IS COMING! Watch for your Daddy Tickets! Come join in the fun!

I sincerely hope you all have a wonderful and healthy Summer!

GAYLORD L. HAWLEY,
Illustrious Potentate

Noble Winston Norcross Flown on North Country Honor Flight #28 ~ June 22, 2019

On Friday June 21 a group of around 40-50 bikers, including Noble Todd Bailey took a ride to Odgensburgh to pick up one veteran that would be attending the Honor Flight XXVIII on Saturday, June 22nd. On their way back to Plattsburgh they picked up our own Winnie (Winston) Norcross who would be part of the 15 Veterans that would be traveling to Washington DC for the day.

The escorts included local fire departments and law enforcement. The Honor Flight is a small token to thank

these men for all of their sacrifices. This was truly an amazing day in DC for Winnie. He was also joined by his son, Jim Norcross.

This was reported in the Peru Gazette, June 22nd:

WINSTON NORCROSS
Army Air Corps 1944-1946
WWII Private First Class

Winnie enlisted in the Army Air Corps as a high school senior. As the War was winding down his chance to

become a pilot was cancelled. Assigned to the 393rd Bombardment Squadron he was part of Crossroads Project in Arizona where bombs were tested. He then went to Marshall Islands on a B-17 doing search and rescue. Winnie said he was only shot at once when he and a couple of buddies tried to steal watermelons and the farmer shot at them! Also want to recognize Winnie's son Guardian James Norcross, Air Force, 1969-1973, Vietnam Veteran.

Oriental Shriners' 5th Annual Basket Party

The 2019 Basket Party Fundraiser was a success due to the generous donations from many vendors, Shrine Nobles and Ladies, and from folks who simply wanted to help. There were 105 baskets, 40 gift cards, several items up for raffle or auction and over 100 attendees. The auction was a new feature that was added this year.

The total proceeds generated were \$3330. Total expenses were \$528, which included all the food and beverages, all basket and raffle tickets, advertising, the donation to the Elks Lodge and necessary miscellaneous items. Our net profit for this event is \$2802. A detailed list of the revenue and expenses for this fundraiser was compiled by Ill. James Vooyo, Recorder and is available at masonsonline.org.

The success of this and any fundraiser cannot be achieved without the help of many dedicated people. We would like to acknowledge the Nobles and Ladies who selflessly contributed their time and worked wherever they were needed; Dan & Lisa Saville (food), John & Andrea Garhartt, Todd & Tess Bailey, Ed & Anne Kirby, Leslie & Tom Abraham, Dan Murray, Howard & Madeline Waller, Harold & Gerry Goodsell, Sally Lebowich, Dan Rhodes & Maria Addiss and Margaret Gibbons. Special thanks goes to Jen Sanford and to our auctioneer, Todd Bailey.

A very special thank you goes to our own Jim Vooyo, PP and Noble Barry Trasacco. They were most supportive and very much involved from beginning to end in helping us to make this fundraiser successful.

Many thanks to all,

Ladies Juli Vooyo and Linda Trasacco

An Advanced Orthotics and Prosthetics Program

Shriners Hospitals for Children has a long history of providing expertly crafted, correctly fitting orthotic and prosthetic (O&P) devices to children who need them, giving kids with missing limbs and other orthopaedic difficulties the opportunity to believe in their dreams and be active participants in the world around them.

Our staff members have created devices that allow children with missing limbs to play musical instruments, participate in sports and to have a better quality of life. Our highly trained O&P professionals can create a full range of devices, from a complete prosthetic limb to the smallest assistive device, for children of all ages, as efficiently, accurately and precisely as possible.

A FASTER, SMARTER WAY TO CREATE O&P DEVICES

Shriners Hospitals for Children has taken its commitment to children in need of O&P devices even further, and established a system-wide approach that is more streamlined, collaborative and technologically advanced.

The U.S. Shriners Hospitals have been divided into six regions, each with a hospital designated as a regional

fabrication center that supports the O&P departments of specific Shriners Hospitals. The O&P departments and regional fabrication centers are separate nonprofit LLC corporations, known as Pediatric Orthotic and Prosthetic Services (POPS).

The fabrication centers have electronic carvers, and each hospital location has computer-assisted design (CAD) capabilities.

In the new process, hospital staff use a light scanner to scan the patient's leg, for example, to obtain measurements and other information. Using CAD, the practitioner creates a rendition of the device needed. The computerized data is then sent to the regional fabrication center for development of a foam model using the electronic carver. Then, the actual device is created and sent to the requesting hospital, where it is fitted to the patient, and the patient is taught to use the new device.

This approach eliminates the need for creating plaster casts as models, and saves the scanned model as a digital file for future reference. Now, creating an O&P device can be accomplished in days, rather than weeks. The computerized data also helps document changes in patients' growth or weight, which may necessitate new devices.

In addition, our Salt Lake City location has a foot carver machine that is specifically used to create orthotics that

are inserted into shoes to correct a range of foot-related problems, such as a lack of or too much of an arch. This machine can create the entire device without a foam model. The Salt Lake City POPS department will provide this type of orthosis for the entire health care system.

MAKING TECHNOLOGY MORE ACCESSIBLE

Future plans for O&P include the development of a pilot program for 3-D printing for sockets, including determining the durability and quality of a printed socket. The socket is the part of a prosthetic device that fits around the residual limb. Its fit and construction are critical to the success of the device for the patient.

"The POPS program strengthens the consistency and efficiency of our processes and products throughout our health care system," said JoAnne Kanas, corporate director of O&P Services. "It is also a differentiator for Shriners Hospitals; very few hospitals still have their own O&P departments or programs."

The policies of Shriners Hospitals for Children are replicated in each POPS location, including the commitment to provide each patient with the best possible individualized care, regardless of the family's ability to pay.

"Shriners Hospitals is unique in its approach to O&P," said Kanas. "What we can do for our patients is special."
