# THE POTENTATE'S MESSAGE

Nobles and Ladies,

May is here, Spring soon to arrive! Hard to believe we are nearly halfway through the year as your Potentate. It has truly been an exceptional experience to represent you and Oriental Shriners. I have attended the Potentate's Ball for Rameses Shriners in Toronto, Canada; returned the next weekend to attend the NYOSA meeting in Buffalo, and just returned this past weekend from the Montreal Shriners Hospital Seminar joined by Ill. George Mudd. Needless to say there is a lot happening in Shrinedom. In addition, we distributed 7600 pounds of onions to the various clubs and units. Thank you to all who helped and sold onions!

Big events are coming as well. May 28th is our big parade and get together for Memorial Day in Crown Point, June 3rd is the always well planned and very successful Basket Party at the Elks Lodge in Ballston Spa. June 2nd will find me in Long Island at the Kismet Shriners Potentate's Ball. Before we know it Imperial Session in Daytona Beach, FL, July 15th-19th. We'll return to a whirlwind of Circus activities, parades and other Shrine events. Our Sportsman's Raffle is progressing and we will have tickets out to everyone in the near future. Please take a moment to adjust your calendars to help support all the activities that your Shrine has set in place to allow us to help the Kids in our Hospitals.

Thank you to everyone for all the support and courtesies extended to me over the past five months, I could not have accomplished so much in so short a time without all the help that has been provided to me. Thank you all!

Fraternally,  
GAYLORD HAWLEY,  
Illustrious Potentate

**Glens Falls Shrine Club**  
 JEFF LINDSTRAND, President

The Glens Falls Shrine Club held its last regular meeting of the spring on Thursday, May 24, at the Holiday Inn in Lake George. A Social Hour started at 6:00 pm and the meeting/dinner began at 7:00. President Jeff Lindstrand opened the meeting with greetings for all of the 21 attendees. The group gave the Shriners Pledge to the Flag. Acting Chaplain Dan Saville gave the Invocation. At that time a Moment of Silence was observed in memory of Past Potentate Robert Rabe. Dinner was then served.

After dinner, President Jeff introduced his officers in attendance. Vice President Dan Lambert and his Lady Ginnie and Acting Chaplain Dan Saville and his Lady Lisa. Treasurer Al West and Lady Cheryl are out of state. Lady Lisa sold \$75.00 worth of raffle tickets and the winners were drawn. Carol Hoover, Dan Lambert, Leslie Abraham, Paul Manning Sr. and Nancy Kuhle were the lucky winners. Jeff then appointed Dan Saville to serve as the Club Chaplain.

Under Sickness, Distress and Glad Tidings: the passing of Harold Goodspeed's sister last week was mentioned. Two of our members are recovering nicely from surgery: Paul Manning Sr. and Warren Kuhle. The Memorial Service for Bob Rabe was very well attended.

The minutes of the last meeting were discussed. Tom Abraham made a motion that they be accepted and approved, which Dan Lambert seconded. A vote was taken and they were approved. The President then read the Treasurer's Report sent by Al West. Currently the club has a balance of \$3817.66. Dan Lambert made a motion to approve the report and Dan Saville seconded the motion. A vote was held and the report was approved.

Assistant Rabban Dan Saville reported on his trip to the Potentate's Ball in Montreal on behalf of the Temple. He said it was an exceptional weekend. He then asked Illustrious Sir Gaylord Hawley to come forward and presented him with a presentation from the Montreal Temple.

President Jeff discussed the upcoming annual Club Picnic on Thursday, June 7th at Ushers Park in Lake George. Reservations are needed by June 5th and the picnic will start at 4:00 pm. The club will again supply the meats, rolls, paper products, beverages and condiments. The cost will be \$5.00 per person and each group is asked to bring a dish or dessert to share. Call or email Jeff to RSVP.

Leslie Abraham spoke about the upcoming Basket Party on June 3rd at the Ballston Spa Elks Lodge from noon to 3:00. There will be plenty of baskets and food, but helpers are needed for Saturday, June 2nd, to set up and Sunday, June 3rd, to work. Please sign up if you can help.

The President then gave a presentation. He relayed information on the Springfield Shriner's Hospital for Children and their Mission Statement. The types of treatment provided and the research conducted there were discussed. Affiliations with other medical and educational institutions were also listed. A video titled "Shriners International More Than a Fraternity 2016," which describes what being a Shriner is like, was played.

President Jeff then turned the meeting over to Illustrious Sir Gaylord Hawley for the Potentate's message.

tate's message. The Potentate talked about how busy the last few months have been. His latest trip was to the Montreal Hospital for a presentation by Imperial on the Hospitals. It was a great session. He was amazed by the Montreal Hospital. That Monday they had 240 patient appointments. He described the whole session as being very "enobling." The hospitals currently have a budget of 915 million dollars a year. This is more than we receive, so there will have to be some changes in the near future.

The Potentate then urged all nobles to support the Basket Party and invite their friends as this event is open to all. He then reminded everyone of the upcoming parades this weekend in Hague on Saturday and Crown Point on Sunday. Crown Point will be a Temple function and will have a picnic afterwards.

He discussed the July 28th Bus Trip to Springfield Hospital and hoped that future Shriner candidates would be invited to go. The Temple is charging \$25.00 per person but will pay the bus fare for new candidates to attend. He then discussed the other upcoming parades and events. He then spoke on the Circus and the great job that Barry and Linda do with this. He also touched on the upcoming Imperial Session, July 15-19 in Daytona. He then introduced his Divan, Chief Rabban Barry Trasacco and his Lady Linda, Assistant Rabban Dan Saville and his Lady Lisa, and High Priest and Prophet Jeff Lindstrand. He then introduced Past Potentate Tom Abraham and his Lady Leslie. He then wished everyone a safe ride home.

Chaplain Dan Saville gave the Benediction and the meeting was closed.

### Support by South Glens Falls Girl Scouts Continues

South Glens Falls Girl Scouts have been supporting Oriental Shriners with their collections of aluminum tabs for the past 19 years. The latest donation took place on May 7, 2018 at the Moreau Elementary School in South Glens Falls. Illustrious Potentate Gaylord Hawley and Lady Sally Lebowich represented Oriental Shriners.

Ill. Gaylord discussed the Shriners 22 hospitals and a little history, including that the first hospital opened in 1922 in Shreveport, LA, with the treatment of polio patients as the main purpose. The Potentate also explained that the tabs are sold for scrap and the money goes into Oriental's Hospital Fund. The funds are then used to transport children (van purchase and maintenance, and gas) to Shriners Hospitals as well as for direct contributions to the hospitals.

One of the long-time active members of these scouts is a patient at Shriners – Springfield.

In addition to giving out his pins, Ill. Gaylord also gave out balloons of the type that clowns use to make animals, flowers, etc. They are much more difficult to blow up than regular balloons. Many had fun trying. One of the older Girl Scouts and one mother were able to have success! Unfortunately, both balloons burst before the end of the program.

Containers of various shapes and sizes were successfully loaded into Ill. Gaylord's vehicle.

The Scouts were alerted to the project many years ago when Girl Scout Leader Mary Antis saw some Shriners removing tabs from some discarded soda cans. The Scouts have continued to support the Shriners ever since.

## Influencing Treatment and Improving Lives through Research

Conducting contemporary, meticulous and innovative research to improve patient care and enhance medical knowledge of injury and disease is one of the three parts of the overall mission of Shriners Hospitals for Children®.

What began as a small research effort with a budget of \$12,000 is now a multimillion-dollar sophisticated program that involves peer review of grant applications and is recognized around the world. Over the years, our researchers have made significant breakthroughs in all four of our service lines – orthopaedics, burns, spinal cord injury, and cleft lip and palate – improving the care and quality of life for countless children worldwide.

Shriners Hospitals for Children funds innovative research projects, special shared facilities, and training fellowships. The 2017 research budget is supporting a total of 126 grants (new, renewal, revision and continuation): 14 developmental research projects, 63 bench science projects, 26 clinical research projects and 23 Special Shared Facilities. Eleven of our hospitals are participating in one or more of the funded projects.

In addition to research grants, support is also provided for fellowships as a component of the organization's educational mission of training new researchers.

### Research Emphasis and Direction

Today, our research efforts are focused on translational research, i.e. bench-to-bedside and bedside-to-bench research, and regenerative medicine. Although regenerative medicine is in its early stages, it has the potential to treat, reduce

or eliminate the long-term causes of many of the conditions that affect our patients, including burns and other skin injuries, as well as orthopaedic and neuromuscular injury and disease. The field of regenerative medicine offers a unique chance for translational research, and a significant opportunity for personalized medicine for our patients.

We also continue to promote clinical research. We examine new treatment modalities, as well as outcomes associated with care, in order to continuously improve the clinical attention we give to our patients.

### Partnerships Promote Our Goals

Our close affiliations with colleges and universities across the country allow us to enhance the quality and scope of our research. Relationships like those with Massachusetts General Hospital, Harvard Medical School, Oregon Health Sciences University, Washington University-St. Louis, Temple University, the University of California-Davis, University of Cincinnati, University of Texas Medical Branch at Galveston, and many others help us meet our goals of improving clinical practice and pursuing fundamental scientific theories.

### Research Projects

Examples of research underway throughout our health care system include projects in these areas:

- The genetics of metabolic bone disease
- The relationship between the ability to fight disease and genetic makeup
- The link between folate and spina bifida
- Effective strategies for repairing spinal cord injury
- The causes of cerebral palsy and effective therapies for its prevention and treatment
- Ways to grow new bone and cartilage using technology and therapies
